

# **State Hazard Mitigation Plan Advisory Committee**

May 14, 2002

# Agenda

- Change of Plan Format
- Economic Annex
- Ground Failure Annex
- Weather Annex
- Erosion
- Conclusion

# Format Changes

- To better meet the DMA 2000 criteria, the following changes will be made:
  - Short - term actions and long - term goals merged together as Goals
  - Goals now have Objectives and Action Items
- The draft of Version 2 is being re-worked to reflect this change.

# Sample

## 1. *Disseminate mitigation information to increase public education and awareness.*

–**Objective 1.1:** Promote mitigation through the use of computer and information technology.

• *Action 1.1.1: Publish outreach information on the DES mitigation web page.*

- Lead: ADES
- Support:
- Timeline: 6 months

• *Action 1.1.2: Research opportunities for other web sites to link to the State Hazard Mitigation Plan.*

- Lead:
- Support:
- Timeline:
